FOR IMMEDIATE RELEASE

Grand Rapids, MI based RT London to exhibit at Neocon 2015 for the first time

Grand Rapids, Mich. – RT London has signed a contract to exhibit on the 7th floor at Neocon 2015.

Neocon is the world’s largest conference for commercial furniture. Over 40,000 architects and designers attend each year.

“We are ready,” said Steve Eldersveld, RT London’s President. “Each year we bring new products, better designs and continued efforts to be the best manufacturer and provider of furniture to the higher education market,” adds Eldersveld.

The company is looking forward to attending Neocon in Chicago next year and will be launching a lounge collection called “Doozie”. Doozie will cater to the higher education market as well as hospitality and healthcare. Expect to see Doozie at the RT London Neocon booth #7030 in June 2015.

About RT London

Grand Rapids, Mich.-based RT London was established in 1989 to answer the local need for durable and quality student housing furniture. Located in the furniture capital of the world, RT London quickly expanded and now manufacturers and provides student furniture for higher education institutions nationwide. The company offers high quality products to other market sectors beyond student housing, including GSA, hospitality and senior living.

RT London has provided furniture to more than 400 public and private colleges and universities, as well as numerous independent housing projects. With manufacturing facilities in Grand Rapids and Lacey, Wash., RT London proudly manufactures all of its products in the United States. The company offers a 25-year warranty on most products, custom capabilities, in-house interior design services, installation, storage and exceptional customer service.
