## features

- Modular design allows both straight and curved units to be arranged and rearranged to create endless configurations. Ganging kit available to keep pieces neatly aligned (sold separately).
- Two back-heights available. The high-back is 6" taller to help define spaces.
- Leg options provide aesthetic and functional choices. Select from metal, wood or casters for mobility (see attachments above).
- Available with wood arms, single wood arm or armless. Wood arms are bent hardwood veneer plywood.
- Optional tablet arm rotates 180 degrees and has a laminate surface.
- Integrated power option. Provides easy access to power with 1 power outlet and 2 USB charging ports. Can be specified on right or left side. Power with 6' cord in laminate tops is an option.
- Seat and back are constructed as separate units for component re-upholstery. Ottomans can be field re-upholsterable.
- Renewable construction available on select models. Field replaceable components and covers make repairs and updates possible in minutes.
- Ottomans available with 1" laminate top and 3mm edgeband.
- Designed to coordinate with Lucy Occasional Tables and Lucy Lu ottomans.
